Name _____

Institution _____

Street _____ City _____ State _____ Zip _____

Phone number _____ Email _____

Purchase order number (if necessary to receive shipments) _____

If you would like to evaluate the following reagents for comparability to existing product choices, please check the diamonds to the left of the product indicating the antisera you would like to evaluate. For each checked product you will receive one vial.

Evaluation Pack (EVL1)

Includes Anti-A; Anti-B; Anti-A,B; Anti-D alpha; Anti-D blend; Anti-D delta and Anti-D control. **No charge**

In addition to the above Evaluation Pack, you can order one vial of each of the other available antisera to evaluate at the prices listed below. To ensure your satisfaction and to allow time for your evaluation, we will not send an invoice until 30 days after you have received the product. If you decide not to keep the product, please contact Customer Service at 888-284-1901 or customer.service@QuotientBD.com to return it at no charge.

Product	Code	Pricing
<input type="checkbox"/> Anti-E	Z073U	\$ 100.00
